MEMORANDUM FOR: SUBJECT : Answers to SecState's Questions re
Cuban Aircraft in April 1961 Invasion

1. Attached are the questions asked by the Secretary of State on the above subject, together with the answers dictated to Joe Scott over the telephone.

2. As I told you, I was not able to confirm the breakdown of the estimated figures, but I am substantially certain that they are accurate. The answers are pretty rough, since I put them together very fast. However, I assume that Joe Scott merely wanted the facts, and not a perfectly presented product.

3. I gather that Joe gave the material to Roger Hilsman, who was planning to use it in a meeting with the Secretary.
